PROJECT / WHO IT IS FOR

DEMO: Moss scarf / gift for Alex

PATTERN SOURCE / VERSION / UK OR US TERMS

My saved scarf pattern / version 1 / UK terms

HOOK SIZE / YARN / COLOUR / DYE LOT

4 mm hook / moss DK yarn / dye lot M01

LAST COMPLETED ROW OR ROUND / REPEAT / STITCH COUNT

Row 24 complete / repeat 3 of 8 / 36 stitches

MARKER POSITION / WHICH SIDE IS FACING YOU

Blue marker in first stitch / right side facing

THE FIRST THING TO DO NEXT TIME

Open my pattern at row 25. Check the stitch count,
then work the next row following my pattern.

PROJECT BAG / WHERE THE PATTERN AND TOOLS ARE

Blue project bag / printed pattern in front pocket

Fictional notes only; follow your own pattern.

Leave it ready to restart.

One project. One small note. A much easier return.

01

Pick your page.

Use page 1 for A4 or page 2 for US Letter. Print only the page you need.
For digital use, download first and open in a form-capable PDF reader.

02

Record the details you will forget.

Name the project, your pattern source and its UK/US terminology.
Add hook size, yarn colour and dye lot before putting supplies away.

03

Save your exact stopping point.

Write the last completed row or round, repeat and stitch count.
Note where the marker sits and which side is facing you.

04

Leave one clear next action.

Write what you should do first, using your own pattern as the source.
Keep the note with your project bag. Page 3 shows fictional notes.

05

Save, close and reopen.

Use Save As and name the file after your project. Reopen it to check
the fields kept your entries. If your viewer does not save forms, print it.

Ready to organise your whole project basket?

Stitch & Finish Studio adds yarn stash tracking, weekly planning,
project logs, a spreadsheet, fillable PDFs and an optional Notion edition.
